```java
public class OverEnrolmentException extends Exception
{
    public OverEnrolmentException(String cause)
    {
        super(cause);
    }
}
```

```java
public class OverEnrolmentException extends Exception
{
    public OverEnrolmentException(String cause)
    {
        super(cause);
    }
}
```
